## Plan Rabies Clinic For Dogs

There will be a dog clinic held on Thursday, July 2nd from 4 p. m. to 7 p. m. in the Grayling Fire Hall. Rabies shots will be administered by an authorized veterinarian for \$2.00 per dog. If possible, phone 348-9095 or 348-3956 by June 26 if you plan to bring your dog in. In this way enough vaccine will be on hand for all.

A county ordinance has been passed requiring proof of a rabies shot in order to get a dog license in 1965 and thereafter. The shots to be given July 2nd will be applicable for next year's license, please bring in your dog.

Rabies is an acute infectious disease of mammals characterized by irritation of the central nervous system followed by paralysis and finally death.

Rabies in Dogs

## Youth Center Operating Again

The Grayling Youth Center has been reactivated again this year, under leadership and chaperonage of Miss Patty Hunter.

Teen-agers have been meeting on Tuesday evenings at the South Side School, use of which was obtained from school authorities, and so far they have been cleaning up and getting the rooms ready for the summer. One room is set aside for dancing, another has ping pong tables, bumper pool and darts games. Music is by hi-fi and records furnished by Bill Tinker.

There is also a concession stand operated in rotation by members of the organization, the profits being turned back to the center for its own improvement.

Different church groups and organizations are giving backing to the center, which has had turnouts of between 50 and 75 teens most evenings so far.

It is planned now that school is out to have the building open three evenings a week.

Membership dues to the center are \$1.00 a year, or for those who do not have a membership card, \$2.00 an evening.

## Grayling Clinic Assists North Twp. Supers

A "clinic" was held by a team from his office to assist township supervisors in 21 counties in the northern part of the State with veterans tax exemption problems.

Auditor General Billie S. Farnum announced today.

The clinic was held at the Crawford County Court House, Grayling, on June 15th and 16th, for township supervisors from Alcona, Alpena, Antrim, Benzie, Charlevoix, Cheboygan, Crawford, Emmet, Grand Traverse, Isosco, Kalkaska, Leelanau, Manistee, Missaukee, Montmorency, Ogemaw, Oshtemo, Otsego, Presque Isle, Roscommon and Wexford Counties. The Auditor General's representatives were on hand from 10 a. m. to 4:30 p. m.

Purpose of the "clinic" was to afford township supervisors and assessors an opportunity to bring in 1964 tax exemption affidavits for review.

The Auditor General's team, consisting of R. S. D'Amelio, Director, Administrative Division, Vern Gulick, Supervisor, Veterans Tax Exemption Section and Carl Aldrich, auditor, reviewed affidavits with each assessor and advised him on whether they were correct or whether additional information or evidence of eligibility was necessary. By making corrections now, reimbursement of claims submitted by townships in the latter part of the year will be expedited. Ineligible applicants can also be notified before tax bills are issued.

A question and answer session was also held.

The clinic was held in cooperation with the Michigan Townships Association, through its local director, Bernard Fowler, Grayling Township Supervisor. There forty township officers present.

**Seek To Begin Local Hiking Club**

U'Harley Russell, better known as Russ, secretary of the Crawford County Road Commission, is interested in starting up a hiking club in this area, and would like anyone else interested to get in touch with him at his home or office.

Mr. Russell recently received a copy of "Washnetaw Hikers Newsletter" compiled by Richard B. Innes of Ann Arbor, a hiker of long standing who not long ago walked from Grayling to the Manistee River with a bike wheel measuring the actual distance.

Mr. Innes made the suggestion that the old Mertz railroad grade, a spur of the old Lewiston grade, running south out of the Hartwick Pines, might be developed into a hiking trail to the Pines, leading off the recently opened riding and hiking trail that goes through Grayling. Since the Pines hold a position of fame, they would provide one goal among many for hikers.

The grade in question would need brushing and marking, which should be done by volunteer hikers interested in keeping it up. Mr. Russell would be glad to hear from anyone willing to assist in the formation of a group.

**Twilight Twirlers**

Thirteen members of the Twilight Twirlers were warmly received on Mackinac Island Sunday, June 14th, when they took part in the Lilac Festival parade. Their ferry fare and luncheon were provided by the Island Chamber of Commerce.

On May 23rd, fifteen members of the Twirlers marched in Grayling for Michigan Week, and on Memorial Day sixteen girls were marching in the Grayling parade.

## Propose 4-H Club For County

A planning meeting of Extension Study Group Chairmen took place at the home of Mrs. Clifton "Kip" Papendick June 10th from 7:30 to 10:30 p. m.

Mr. Einer G. Oldstrom, District Extension Director, Cooperative Extension Service from Michigan State University and Mr. Warren J. Cook, County Extension Director, met with the ladies to discuss the development of a 4-H Club Program for Crawford County.

Educational outline material explaining the 4-H Club Program including the functions and responsibilities of its leaders as well as the members was given out. Bulletins pertaining to suggested projects of Cooking, Sewing, Knitting, Electrical, Woodworking and Conservation were also supplied to acquaint the ladies with the resource material which is available to those who will become leaders for our youth. A copy of Crawford County Overall Economic Development planning bulletin was received by each member present and data submission was reported upon.

Mrs. Clayton Hildebrandt has accepted the Chairmanship for the 4-H Program in Crawford County which is tentatively scheduled for starting in September. Both men and women are needed to support this community activity. Leadership is on a voluntary basis but leaders must be located, enrolled and trained to carry out their responsibilities in this program.

The opportunity for you to assist the youth of your area to be wanted, accepted, loved and praised is within your grasp. Let's volunteer help to open wide the door that young people can earn their way to pass through it. You can widen the scope of career possibilities by giving young folks a chance to learn by doing from supervised projects and useful activities, thus managing their resources and time more wisely. Meetings require about two hours per week from October through March 15th with a recess during the Christmas season.

Membership includes boys and girls between the ages of 10 and 21 years, and groups consist of 4 to 10 children with a preferred number of 6-8. The 4-H Club Motto is "Make The Best Better". Let's go now or call Mrs. Clayton Hildebrandt, 707 Chestnut Street, Grayling, Michigan Phone 348-3842 and express willingness to devote some time.

August 31, September 1, 2, and 3 are the dates for the State Show at East Lansing where there will be around 1200 4-H members exhibiting this year. A clothing review is scheduled every day in addition to the displays of crops, livestock, foods, woodworking, conservation and electrical science.

The tentative 1964-65 Extension Study Group schedule and program were also reviewed. A discussion regarding an Emergency Hospital Unit planned for October 1, 2 and 3 was brought up and you will read more on that at a later date.

Mesdames: Ivan Hamblin, Oscar Goss, Clayton Hildebrandt, Clifton Papendick, Carol West, John Wilcox, Marius Rogalle, and Miss Elaine Bancroft were in attendance. Refreshments were served by the hostess at the close of the meeting, after a most informative evening together.

## Brigade Review

# BAGPIPES TO SKIRL AT AIRPORT SATURDAY

Motor convoys of the 1st Brigade Force, 38th Infantry Division, Indiana Army National Guard, began arriving in Camp Grayling on Saturday, June 14th. The 1st Brigade, commanded by Lt. Col. John N. Owens, is conducting its annual active duty summer encampment from June 15-28. Along with supporting elements from the 38th Division, the Brigade Force consists of 2 tank battalions and a mechanized cavalry squadron — those units comprise the armor forces of Indiana's "Cyclone Division."

Approximately 12,000 gallons of fuel were used by the 403 vehicles of the Brigade Force in moving from Indiana to Camp Grayling.

Some 1200 Indiana Guardsmen and 175 attached Army Reservists will undergo intensive training for the 2-week period. The return motor march to home stations will take place on Saturday, June 27th.

There will be a Brigade Parade at the Grayling Airport on Saturday, June 20th, at 10:00 a. m. An unusual feature of this Parade is

that the marching music will be provided by a Scottish bag pipe band from Indianapolis, Indiana. The Gordon Pipe Band, as they are called, will be air-lifted to Camp Grayling by the Indiana Air National Guard. Also, the Parade serves as a retirement ceremony for the Brigade's Senior Army Advisor, Lt. Col. Harvey W. Barrell. A Regular Army Officer, Lt. Col. Barrell will occupy a position on the reviewing stand.

Other persons on the reviewing stand include the Adjutant General for the State of Indiana, Major General John Anderson, and the 2 Assistant Division Commanders of the 38th, Brigadier General Robert Moorhead and Brigadier General Kenneth Brewer. The public is cordially invited to attend this Brigade Parade.

The major part of the 38th Division will also use Camp Grayling as the training site for its annual active duty tour, August 9-23, 1964. The Division Commander is Major General Howard S. Wilcox. He commanded the Indiana Division last year when it trained at Camp Grayling.

**CONG. CEDERBERG SEEKS RE-ELECTION**

Congressman Elford A. Cederberg has announced he will be a candidate for re-election as Representative from the Tenth Congressional District.

Congressman Cederberg has been a Member of Congress since 1953, and during that time has acquired valuable seniority on the important House Committee on Appropriations and serves as a Member of the Subcommittee appropriating funds for the Departments of State, Commerce, Justice, Judiciary and Military Construction.

Five new counties, Antrim, Grand, Kalkaska, Mecosta and Montcalm have been added to the Tenth Congressional District by the State Legislature, making a total of nineteen counties, the second largest District in area in Michigan.

The Congressman stated that he plans to visit the new counties as soon as possible, consistent with continuing his duties in Washington. He wants to assure the citizens of the new counties that they will receive the same individual Congressional service that the other fourteen counties have received over the past twelve years. He stated that he recognizes that with the Congressional sessions becoming longer and the District larger that the ability to visit all the counties in the District as much as he would like becomes more difficult, but he desires to assure all his constituents that he will return to the District as often as possible.

He also stated that if re-elected he will continue to support policies in both Foreign and Domestic affairs that are consistent with maintaining the fundamental traditions of our country. His services on the Appropriations Committee makes him acutely aware of the financial problems facing our country and pledges himself to do everything possible to reduce spending consistent with — maintaining a strong National Defense.

Congressman Cederberg is well known throughout the District for his personal attention to the needs of his constituents who have problems in which the Federal Government is involved. He wants to assure all the citizens of the District that he will continue this personal service to the best of his ability and urges all his constituents to write him about problems which are of Federal concern.

## Rev. Fennell Is Transferred

Rev. Alfred C. Fennell, who has been the pastor at Michelson Memorial Methodist Church for the past three years, has accepted a Conference Cabinet appointment to another church in the Saginaw Bay District. It was announced the first of this week.

Rev. Fennell, who is in attendance at the Detroit Annual Conference being held at Adrian, will be informed of the church to which this transfer will also be announced at the Conference this Saturday.

He was transferred here from Redford Calvary Methodist Church and replaced the now pastor emeritus of Michelson Memorial, Rev. R. C. Puffer who was pastor from 1946 till 1961.

The congregation of Michelson Memorial plans a farewell party for Rev. Fennell and his family at the church next Tuesday evening, June 23. The potluck supper will start at 6:30 p. m.

**Horse Trail Highlights**

By Floyd Davis

On Thursday of last week two young couples, Jack and Janet Schaefer and Bill and Esther Davis of Midland arrived in Grayling to make a four-day trip on horseback on the trail. They parked their cars and horse trailers at our place and after I gave them all the information I could, on the problems they might run into, they mounted their noble steeds and took off.

They returned Sunday afternoon by car and were a much wiser foursome. We invited them in for a rest and refreshments, and they related their experiences.

The trail between here and Kalkaska is well-marked, but would suggest some distance markers so a person would have some idea how far they were from the next town.

They found it took two days to ride to Kalkaska.

There was no pasture for a horse after they left Crawford County. There was no water for man or horse, after crossing the Manistee River.

Horses should be shod at least on the front feet as there are some rugged gravel hills that could cause a horse to fall with-out shoes.

And the last and strongest suggestion is that the trail at Kalkaska should cross the railroad tracks beside the road, not off it. One of the horses got his foot caught between the rail and the tie on the roadbed, and injured its foot and shoulder, not seriously however. If the trail would cross the rails in the open beside the road, there would be no problems.

They found wonderful hospitality at Kalkaska. People came out on the trail where they were camped with food for the horses, and when the one horse was injured, they graciously brought them back to Grayling and took care of the horses while they were gone.

These two couples are associated with the 4-H Club at Midland and plan on coming again with a large 4-H group on a ride later on.

When the trail is completed there will be campsites with water and toilets about 15 miles apart. But these sites are not developed yet and the trail is publicized as completed in advertising in lower Michigan papers.

**Meet To Plan R C Blood Bank**

A meeting was held at the home of Crawford County Red Cross Chairman, Mrs. Derek McEvers, on Thursday afternoon, June 11th, to formulate plans for a blood program in Crawford County. Such a program must have the unconditional approval and endorsement of the county medical society, Mercy Hospital, county Health Department and local Red Cross Chapter before activation. As well as the acceptance of the Mid-West area office of Red Cross in St. Louis, Missouri. Three of the sanctions mentioned have already been received.

Paul Jacobs, of Cadillac, area representative of Red Cross, and Mrs. Doris Fishbeck, field director of the Regional Blood Center at Lansing, were present to explain the functions of a blood program and to inform the group of the proper procedure for organizing such an undertaking.

Residents of a county taking part in such a program are eligible for free blood any place in the United States and there is never a charge for the blood but it must be understood there will still be a charge for administering the blood.

Volunteers on the blood program committee to date include Derek McEvers, general chairman, Mrs. Edwin J. Ruth, Funk, chairman of volunteers and Mrs. Robert Strong, public information chairman, who were present at the meeting and the Rev. Charles McManahan Jr., recruitment chairman.

An open meeting is scheduled for June 29th at 2 p. m. at Mercy Hospital. Anyone interested in helping with or wishing to learn more about this program is invited and urged to attend.

Others present at the planning meeting were Sister Mary Janice, Mercy Hospital administrator, Mrs. Leo Jorgenson, secretary-treasurer and A. J. Sorenson, board-of-director of the county Red Cross Chapter.

## HOME DECORATIONS

A new 15 quart "now-you-see-it-now-you-don't" waste can for kitchens is designed to meet the needs of housewives looking for a means to end kitchen floor clutter. It is also ideal for small utility kitchens.

The new unit attaches by means of a mounting plate to the interior of the cabinet door.

It is easy to remove from door for emptying, while the snap-tight lid remains permanently attached to the door. To operate, one simply presses a button which is at convenient knee height, and the lid pops up automatically.

The unit has built-in bumpers to protect kitchen cabinets.

## BITS O' TALK

Mr. and Mrs. Barry Pitts and daughter spent weekend before last in Mount Pleasant visiting his parents and here in Grayling with her parents, the Clarence Holcombs.

Mrs. Ivan Davis Jr. and sons of Harbor Springs spent several days with her parents, the Ed and havers last week while "Spike" was fishing in Canada.

Mrs. Ed Hallman and son Dale of Saginaw spent five days here last week visiting her sister and family the Sam Lippards.

Gary Russell arrived home Thursday for the summer from CMU. Mr. Pleasant's mother, Mrs. U'Harley Russell drove down for him. Gary will again be working for the county this summer.

Weekend guests at the Don Jensen home June 5th through 7th were her parents, Mr. and Mrs. William Horn, and nieces Kathleen and Sharon Peters, from Saginaw, the occasion being Curt Jensen's 7th birthday on Saturday, June 6.

The others were joined Saturday by Mrs. Jensen's sister and husband, Mr. and Mrs. Richard Peters and son John, and Mr. Jensen's sister Mrs. John List, Jeff and Julie, also of Saginaw.

Two carloads from Grayling attended a Wolverine District Association O.E.S. meeting in Onaway June 8. They were U'Harley Russell, Mrs. Don Jensen, Mrs. Olin Williamson, Mrs. J. L. Martin, Mrs. Clayton Strahley, and Mrs. Laura McLeod. In the evening, a group attended the reception at East Jordan held for Mimmie DesJardins, Grand Marshal of the Grand Chapter of Michigan. They were Mr. and Mrs. U'Harley Russell, Mr. and Mrs. Don Jensen, Mr. and Mrs. Olin Williamson, Mr. and Mrs. Rex McMillen, and Mrs. Laura McLeod. All of the Grand officers were on hand for the reception, having taken part in the initiatory work beforehand.

After you exercise your pony never let him go right to his water bucket and drink his fill. Let him have a sip or two and take his water bucket away until an hour has passed.

If your pony should ever start to nip or bite break this habit quickly. Snap him soundly on the neck or shoulder and say, "NO" in a sharp voice. Never hit a pony in the face or on the head as this may make him head shy and he will throw his head when every anyone reaches out to him. Always speak to a pony when you walk behind him. Nature gave the pony the ability to kick as a protection and if he is suddenly frightened he may kick out with out thinking. If you speak quietly he will know that you are there, and if he has been handled often, that you are his friend.

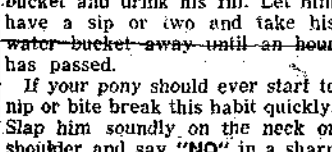

Your pony likes to be kept clean and it is up to you to see that he is. Next week we will discuss this subject.

HINT-FOR-THE-WEEK — Try a little baby oil on your grooming brush. It will be good for the pony's skin and give his coat a wonderful glow. Helps him to shed water too.

Anyone having a question concerning ponies, may write to Pony Tales, c/o Avalanche and your questions will be answered in the column.

## Freedom Versus Government . . .

The Southern States Industrial Council of Nashville, Tennessee, established thirty years ago, and made up of members from 16 southern states and elsewhere throughout the nation, has prepared a twenty-four point "Program" designed to make America stronger at home and abroad and a potent force in curbing communist encroachment. In a preface to the program, H. Hansell Hillyer, Council president, says "The great — the overriding — issue of our time is that of individual freedom versus government regulation and control." He points out that by a "curious twist of semantics" those who favor freedom have come to be known as conservatives, while those who believe in maximum government intervention and control call themselves liberals. Upon the outcome of the struggle between these two points of view ride the hopes of free men everywhere — now and for the indefinite future.

## Will History Repeat Here?

The average age of the world's great civilizations has been 200 years. These nations progressed through this sequence:

- From Bondage to spiritual faith
- From spiritual faith to great courage
- From courage to liberty
- From liberty to abundance
- From abundance to selfishness
- From selfishness to complacency
- From complacency to apathy
- From apathy to dependency
- From dependency back again to Bondage

In 16 years our United States will be 200 years old. This cycle is not inevitable — it depends upon YOU! Reprinted from Manage Magazine, January, 1961.

Detroit, Michigan, Free Press: "Once, just once, before this old earth turns to ashes, we'd like to see a bureaucrat get a simple lesson through his head:

"The people and the taxpayers are the same; the government and the people are the same; the government and the taxpayers are the same.

"To listen to words from the Washington wind tunnel, you'd get the idea that these are three separate and distinct sets of bodies."

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVANCE OF 23 YEARS AGO

June 19, 1941

The work of R. W. Collins of Grayling in developing a method of building concrete "log" cabins in the Northern Michigan resort section is featured in the current issue of the Concrete Builder. Collins created his own market by developing a new product especially adapted to local needs. Lake Margrethe, near Grayling, is a fishing resort. Mr. Collins observed that log cabins were popular with city people who wanted to build vacation cottages, but were fairly costly and required repairing from year to year. Besides there is no near fire protection, so Mr. Collins developed and patented a method of casting concrete units finished to resemble logs, built a demonstration "log-cabin" figured out costs and was ready to take orders. The article recites how Collins has already built three year-around homes, five cottages and two gasoline stations of concrete logs, taking contracts as far as 100 miles from Grayling.

C. C. Fink of Gaylord has returned to Grayling and taken over the management of the Hanson Cafe, owned by Frank Bennett. Mr. Fink has had many years of experience in feeding people. About 30 years ago — 1903-1915, he had charge of the Michigan Central depot dining room. When the new Shagwaggoe Inn was opened he was engaged as manager and continued there until 1919 when he took over the dining cars on the Pennsylvania Railroad, operating between Columbus, Ohio and St. Louis, Mo. Next he purchased a 160-acre farm in Maple Forest township, which he still owns, and operated it for several years until the death of Mrs. Fink. For the past several years he was manager of the Rendezvous at Gaylord.

Mrs. Eugene Baker returned to her home in Indianapolis Tuesday morning after a week's visit at the home of her father, Nelson Corwin. She was accompanied by her niece Jeanne Hanson and Pave Christensen. Jeanne expects to remain for the summer.

Miss Alberta Knibbs was honor guest at a miscellaneous shower Tuesday evening given by her mother, Mrs. Albert Knibbs and Miss Virginia Feldhauser, at the home of the former. Twenty-five guests were present and bunco and pinocle were the entertainment. Mrs. Arthur Feldhauser and Miss Bessie Feldhauser held honor scores for bunco and Mrs. Leo Torgensen and Miss Lillian Hoffman for pinocle. A very nice buffet lunch was served by the hostesses, after which Miss Knibbs opened her many lovely gifts.

Mr. and Mrs. E. S. Chalker drove to Kalamazoo Saturday to accompany their son Edwin home for the summer vacation. He is a student at W.S.N.C. of that city.

Mr. and Mrs. Henry Bradley and daughters, Yvonne and Lois attended the funeral of Mrs. Louise Coon in Lake City Sunday.

Melvin Brown of Los Angeles, Calif., arrived Sunday to spend the summer months with his mother, Mrs. Peter L. Brown. It was Mrs. Brown's birthday Sunday and she was happy to have several other members of her family home, who included Mr. and Mrs. Edward Strehl and family of East Jordan, Mr. and Mrs. Henry Trudo of Midland and Mrs. Loyl Cameron and son Robert of Grand Rapids.

Mr. and Mrs. Ernest Corwin spent the weekend here. Keith Raymond returned to Mt. Morris with them to spend several weeks. Louis Kraus is spending the week in Detroit visiting his father, Emil Kraus, a guest at the home of his sister, Mrs. Don Fitzpatrick.

Mr. and Mrs. Charles Woodbury and daughter Mary Lou have rented one of the Milne cottages at Lake Margrethe for the summer.

Wesley March of Royal Oak, who is now a First Class seaman in the Coast Guard, stationed in New Jersey, was the guest of Miss Patsy Madsen for the past week.

Mr. and Mrs. Holger Schmidt and Ray Warner of Detroit spent the weekend visiting their son, Harold and wife in Milwaukee, Wis. On returning home they drove through northern Wisconsin and Michigan.

A. J. Nelson and family are spending the next two weeks at their cottage at Lake Margrethe.

Mr. and Mrs. Jappe Smith and children are spending several days visiting relatives in Indiana.

Mrs. Emory Craft and Mrs. Wilbert Simpson were cohostesses at a lovely shower at the home of the former Thursday evening of last week, with Mrs. William Golnick as honor guest. About twenty ladies were present and a very nice evening was spent together. Mrs. Golnick received many lovely gifts.

Hugh Cook of Alpena was a guest of his brother and wife, Dr. and Mrs. J. Fred Cook during the weekend.

A spark from a chimney lighting on the top of the false front of the Grayling Mercantile store building started a fire that caused quite a bit of excitement Wednesday afternoon. There was a lot of smoke and

flames were shooting up when discovered, however the City Fire department made short work of it when they appeared on the scene.

A son, Phillip Floyd Jr., was born to Mr. and Mrs. Phil Faustman Thursday, June 12, at Mercy hospital.

Residents at Lake Margrethe who enjoy their regular weekly potluck dinner were entertained at the Horace Shaw cottage Saturday evening.

Peter Lovely is back in his old stand—the Arthur Howse building near the Grayling Bakery. He operated there in the restaurant business for several years. It was later known as "Jeff's Chop House," which went out of business a couple of weeks ago. Now Mr. Lovely is back at the old stand ready for business. A license to sell beer was granted at the special council meeting Monday night.

Mrs. Frank Barnett has remodeled the second story of the Grayling Restaurant building, making three very comfortable apartments. All have been nicely repapered and woodwork and floors painted in harmonizing colors. Each apartment is equipped with hot and cold water, shower bath and lavatory. There are built-in cupboards in each of the kitchens and extra windows added for ventilation and light.

Each year there is in store awards for members of the graduating class of Grayling High school who are the most outstanding pupils. This year Patricia Roberts and Richard Lowe were the lucky ones to receive these, the former receiving the American Legion scholarship award and the Klans award, and Richard Lowe, the Legion award for the boys. Selection is also based on school spirit, activities and citizenship.

Mr. and Mrs. Roy Vandercok of Lansing last winter purchased the William-Near residence on the Audubon-Hazel and last week moved in. Since then it has been quite a model.

Mr. Vandercok was at one time a colonel in Michigan National guard and spent many training seasons at Camp Grayling. He was a member of the state military board at the time the late Rasmus Hanson offered the estate land about Lake Margrethe for a military camp. Mr. Vandercok was one of the strong proponents in favor of the Grayling site and

had a large influence in persuading the state legislature to accept it. At the present time he is publicity director of Michigan Railroads.

46 YEARS AGO — June 20, 1918

Mr. and Mrs. George Bennett of this city have purchased a farm in Ogemaw county and have moved to that place. They sold their home on Peninsular avenue to John Dutton and wife.

Paul Ziebell has resigned his position as clerk in the Salling Hanson company store and will accept a similar position in Detroit. He has been a faithful employee in that store for about eight years.

Miss Wida Failing is assisting in the Salling Hanson Co's offices for a short time.

Mrs. Ida Kinney has sold her farm in Beaver Creek township to William Millikin. She will run the Lakeside Hotel at Higgins Lake this summer and next fall the family will move to Detroit.

Frank LaMotte has purchased the Burton Hotel from Mrs. O. N. Milnes and took possession Monday. Paul Lovely who has provided the meals at T-Town dining hall for many years past will be the cook. Mrs. Milnes was prompted to sell out because of the fact that her son Roy, who has been in active management of the place for the past few years, intends to join the navy Saturday.

Miss Agnes Gendron left for Flint Thursday, where she expects to be employed.

Fire from an overheated stove started in the kitchen of the home of A. L. Coutts Wednesday and the fire department was called out. Mrs. Coutts, with splendid presence of mind, climbed to the top of the kitchen and tore shingles and boards loose and poured water onto the flames, extinguishing same before the department arrived.

Edward McDermid of the naval forces stationed at Camp Dewey, is at home in Frederic recuperating from an attack of pneumonia.

Miss Marguerite Joseph graduated from the Wisconsin Normal college last week — and arrived home Tuesday for the summer vacation. She has accepted a contract to teach science in a school near Milwaukee and will begin her work there in September.

**LETTERS TO THE EDITOR**  
June 25th, 1964  
To whom it may concern:  
This is written not as an employee but rather as a shopper in Grayling.  
I am referring to the parking meters in the downtown area. It has come to my attention that the larger cities of the lower part of the state disbanded their parking meters as they were a parking hazard to the shopper. A person can't shop or go to the doctor's office for fear they will get a ticket. Our clinic lies on Michigan avenue, and as the people know, sometimes it is necessary to wait there for a period of 3 to 3 1/2 hours. (No reflection on the clinic.)  
It has also been brought to my attention that the people have had the opportunity to vote on the issue and have turned it down. Now the City Council takes it upon itself to install these machines.  
This being a community that almost solely depends on the economy of the tourist trade, should realize that a tourist is not going to park his car in our fair community and run about our town as he would like to do. We have a Police Department that should have the power and knowledge to take charge of the situation of parking if given the power to do so.  
After June 15th, 1964, when the meters went into effect, the merchants of the downtown area are going to see and feel a great decrease in business and local participation.  
If you, the people, do not like these parking meters, send your complaints to the City Council pertaining to such or attend a Council meeting.

**Chamber of Commerce Minutes**  
Regular meeting, Crawford Co. Chamber of Commerce, June 11th, 1964.  
The meeting was opened at 5:05 p. m. by President Alef.  
The treasurer's report and the Sports Car Race financial report were discussed. A motion was made by Jansen and seconded by Alef that these reports be accepted as printed. All Ayes.  
Letters from the State Highway Department and other organizations requesting points of interest brochures were presented. Secretary was asked to get a quotation for these brochures. It was suggested that a drawing of the front would make them more attractive.  
The proposed new Nursing Care Facilities, Inc., was discussed at length. The board feels that a nursing home would be an excellent thing for Grayling.  
A motion was made by Frank Bond and seconded by Don Jansen that the membership of South Branch Ranch, Cavalier Gas, South End Station and Michigan Consolidated Gas be accepted and these people be welcomed to the Chamber.  
Jack Alef reported that Colonel Davis has accepted an invitation to hold a standing retreat in front of the Court House on July 15th at 5:30 p. m. The Michigan Military Academy will perform the retreat under the Commandant Major Lesky.  
A motion was made by Alef and seconded by Jansen that this meeting be adjourned at 6:00 p. m. All Ayes.  
Next meeting to be held June 25th, 1964.

**Moose Lodge Activities**  
Three members of the lodge, John Galloway, Charlie Pemberton and Charlie Smith, received the coveted Fellowship degree of the Moose, this past week at Moosehart. Our congratulations go to these men, and also our thanks for the hard work that they have put into the fraternity to receive the Fellowship degree.  
Although it's far from being completed, we had a very happy band at the club Saturday night, when they played in the new bandstand, for the first time. With more seating capacity now, the Club Room was still thoroughly packed. We had visiting members from Wisconsin, Ohio, Indiana, and all over Southern Michigan. They all seemed very impressed by the co-operation of the members, in the work being done.  
There will not be a Sunday morning breakfast this Sunday, because the Ritual team is going to Pontiac, to put on an enrollment. However, they will resume the following Sunday, June 28th. They thank the WOTM for the fine help they have received, and also, those who have come down to eat.  
A special plea is being made for Blood Donors, for the blood bank. Anyone, member or non-member, who is willing to give, be at the lodge Tuesday, June 23rd at 4:00 p. m. The bank is very low, and needs to be built up very badly. Why don't you give blood now, before it's too late, and you need some in a hurry? You could need blood from an accident, sickness, operation, and other emergencies. If we have enough blood in the Moose Blood Bank you will get it, if needed, at no cost to you. So how about it, Tuesday, June 23rd? You may be eligible for a free lifetime membership or a free year's dues. Stop at the Club and find out.  
This Friday is meeting night at the lodge, at 8 p. m. sharp.  
Since the Moose Fraternity was reorganized in 1906, more than sixty million dollars have been paid by the lodges of the order to their members in times of distress.

Miss Jean Marie Smith, daughter of Mr. and Mrs. Roy Smith of Grayling, became the bride of Mr. John William Wilson, son of Mr. and Mrs. Harvey Wilson of Nashville, Michigan, in the double-ring ceremony performed by the Rev. Claire F. Olin, uncle of the bride, at two o'clock on Saturday June 6, 1964, at the Calvary Baptist Church in Grayling. The church was decorated with two low bouquets of white mums, with a center vase holding pink and white peonies. Candabras graced each side of the platform. The processional and a solo, "I Love You Truly" were performed by Mrs. John Bell, Rose Common, "The Lord's Prayer" was sung by Rev. Bell, and a duet, "Each Step We Take", by Rev. and Mrs. Bell. Around one hundred forty guests were on hand to witness the ceremony.

The bride, given in marriage by her father, chose a gown of Venice lace over tulle, styled with a fitted bodice and wide portrait neck line. The skirt's unpressed pleats were secured in back with a small lace bow. A shallow crown of wide lace scalloped edged with pearls secured her bouffant veil of French illusion. She carried a white Bible topped with a lavender orchid.

Matron of honor was Mrs. David Welch, sister of the bride. Other attendants were Miss Judy Smith of Grayling, sister of the bride, and Miss Janette Allen, Mrs. Welch wore a gown of cotton blue summer brocade with a bell skirt and brief jacket. The bridesmaids' gowns were identical in style in powder blue. They carried baskets of blue, yellow and white daisies.

Philip W. Wilson served as his brother's best man. Ushers were Lee Nolan of Battle Creek, formerly of Grayling, and Marion Taylor. For her daughter's wedding, Mrs. Smith chose a beige dress with matching accessories. Mrs. Wilson, mother-of-the-groom, wore a blue dress with matching accessories. Both mothers wore pink sweetheart rose corsages.

Reception followed the ceremony at the Michelson Memorial Methodist Church parlors. A beautiful four-tier wedding cake topped with a miniature bride and groom centered the long table, with dishes of nuts and mints alongside. After the bride and groom had cut the first piece, the groom's aunt served the wedding cake to the guests. Marjorie (Niederer) Fosget, of Lansing, presided at the punch bowl. Mrs. Merritt Mallory, of East Lansing, former roommate of the bride, presided at the coffee table. Others assisting in the reception were relatives of the groom: Mrs. Doreen Corlew was hostess of the bridal party. Many lovely gifts were displayed on a long table by Mrs. David Welch and Miss Janette Allen.

For her going away, the bride wore a pink silk dress with orchid corsage. The couple left on a two-day honeymoon trip to the World's Fair, also other places of interest. One of town guests were Mr. and Mrs. Jack Smith and family, Cass City, brother of the bride; Mr. and Mrs. Paul Hendrickson, Alpena, and uncle, Mr. and Mrs. Ed Carlson and family of Royal Oak; Mrs. Eddie Kurechenko, Mrs. Lydia Eklund and Mrs. Mayne Billings of Bay City. Other guests were those from common, Lansing, Nashville, Grand Rapids and Detroit.

Wilson as a graduate of Grayling High School and North-Central School of Commerce, at present employed at the Bank of Lansing. Mr. Wilson is a graduate of Ferris State College, where he was affiliated with Sigma Alpha Delta fraternity. Mr. Wilson also attended Michigan State University and Wayne State University. The newlyweds will make their home in Lansing.

#### Letters To The Editor

June 11th, 1964  
Mr. Bob Strong,  
Kind Sir:

In reading some of the items and editorials in the Crawford Avalanche, I am pleased for one, and also a subscriber of same. That there still are some of our American people and citizens, to take a part to stick up for their rights, in this American country and Old Glory, of the heritage that our forefathers so bravely fought, to save. And I do so hope and pray, that the younger generations will work to keep it for the good of the people and mankind. May God Bless them, and direct them, in the right direction always, as a Christian nation.

Yours truly,  
Mrs. Bertha Williams

## MICHIGAN RIDING & HIKING TRAIL

Winding its way across the northern Lower Peninsula from Empire  
and Elberta on the west to Tawas City on the east is a new path-  
way to outdoor fun. Known as the shore-to-shore riding-hiking  
trail, it spans about 190 miles of state, federal, and private forest  
lands, taking in scenic areas and other points of interest along  
the way. Most of the trail has been marked and work is underway  
to develop overnight camping sites, hitching areas, and other  
public facilities for horseback riders and hikers. Plans are also  
afoot to provide privately-owned accommodations—lodges and  
cabins—close to the main route. Horses can be rented locally.  
The trail is a cooperative project of the Conservation Department,  
U.S. Forest Service, local communities and riding clubs, and  
private stables and landowners. It will have its grand opening  
June 20-28 when the Michigan Trail Riders Association stages a  
cross-country trip from coast to coast. — Mich. Dept. of Conservation

## School Progress Report

The following items were noted  
and discussed at a meeting on the  
project site on June 1, 1964.  
Present were R. Derocher, S.  
Mathe, Dick Moore, R. W. Peter-  
son, Mrs. Matilda Bishop, Bill Joseph  
and Supt. Joseph Stripe.

Radiant heating systems run in  
the ceiling are nearing completion  
with crews presently working in  
section "B" of the building. The  
importance of having the balance  
of the ceiling suspension system to  
follow as soon as possible was not-  
ed. Mr. Dick Moore of Denting  
Plumbing & Heating was to check  
the tentative scheduling and have  
it advanced if necessary.

The majority of material requir-  
ed for terrazzo work is presently  
on the site. Installation of terrazzo  
floors is scheduled to commence the  
week of June 8. Consolidated Con-  
struction Company is to try to ar-  
range for a ceramic crew to start  
sooner if possible to complete those  
toilet rooms and areas requiring  
ceramic.

Liquid tile is to be scheduled to  
follow immediately after completion  
of ceramic floors in toilet  
rooms.

Tackboard and chalkboard is  
ready for installation and was ten-  
tatively scheduled to commence  
Monday, June 8. It may be neces-  
sary to defer this work approxi-  
mately one week to follow ceiling  
work in the classrooms since the  
ceiling line should be established.

The first shipment of millwork is  
due to arrive on the site this week.  
Included in this shipment is to be  
the wood doors.

All concrete floors and slabs with  
in the building are complete includ-  
ing the courtyard. A major por-  
tion of the curbing has been formed  
and poured.

The footings for canopy columns  
are poured and ready for set. Canopy  
deck material is on the site,  
however, structural steel has not  
yet arrived.

Davenport Associates is to con-  
tact Kirkey Electric Company for a  
quote to install lighting for the  
two sections of canopy reinstated in  
the general construction contract.  
Lighting for the entire canopy origi-  
nally was bid as an alternate but

was not included in the final base  
contract.

Plaster ceiling work is well along  
with approximately 50 per cent of  
those ceilings requiring plaster  
complete at this time.

Canopy frames to be furnished by  
the Kitchen Equipment contractor  
are needed to allow plastering to  
proceed for the kitchen. Subsequent  
to this meeting the Wigginton Sup-  
ply Company was contacted relat-  
ive to the canopies. Advice received  
is that the canopies were shipped  
from Columbus, Ohio, on June 2 via  
Associates and Short Freight line.

At this stage of the construction  
the work completed and scheduled  
indicates there should be no problem  
in meeting the August 1 target date  
for completion.

## Grayling GOLF NEWS

Last Tuesday and Wednesday,  
June 9 and 10, the Men's and Lad-  
ies' Leagues opened play on fair-  
ways and greens that are in ex-  
cellent shape. It was a warm sum-  
mer day for the men and nearly all  
teams were out for serious but  
friendly competition.

The Grayling ladies were a little  
less fortunate and played in 50 de-  
gree weather, but the turnout was  
good with 20 on hand for play and  
luncheon. Low gross was won by  
Katherine Stewart and Mary Pet-  
tengill. Low net and low putts were  
won by Ruth Nielson. On the lunch-  
eon committee were Isabelle Allison,  
Cathy Mason and Billyann Brown.

Rules governing play have been  
posted by the Rules Committee,  
Mr. E. E. Heng and Dr. Vernon  
Blaha, and are as follows:

The rules of this golf club are  
the same as those approved by the  
U. S. Golf Association effective  
January 1, 1964; except for the  
following local rules.

1. When a ball is found in a  
roadway that parallels any rough,  
the ball may be dropped in the  
rough without loss of stroke.

2. A ball in a roadway between  
fairways may be dropped in the  
fairway without loss of stroke.

3. Re: Flag stick-34-3 c. shall  
be changed in that the penalty  
stroke play of two strokes shall  
only be a penalty when the ball  
has been played from the putting  
green.

4. Re: Out of Bounds. Out of  
bounds are marked on holes No. 1,  
No. 4, and No. 9 by white stakes.

5. 29-1 a. shall be modified in  
that if a ball be out of bounds, the  
player may drop the ball at the  
last original site of play with loss  
of distance only; or, under penalty  
of one stroke, may drop the ball  
within two (2) club lengths where  
the ball crossed a boundary line.

6. "Preferred Lie". A ball ly-  
ing on the fairway may be moved  
without penalty with club head  
within six inches of where it origi-  
nally lay; but not nearer the hole.

b. A ball on an adjoining or  
parallel fairway may not be moved  
without loss of stroke.

Rules of the Club as approved by  
the U. S. Golf Association 1964 will  
always be available at the Club  
House, and each player is held  
responsible for knowing these rules.  
All players, including members  
are required to register before  
starting play.

Dr. Charles L. Anspach, president emeritus of Central Michigan University and also president of the State YMCA, accepted the governor's invitation to repeat the campaign of a year ago when bells were rung on July 4 at 400 points in tribute to our country's founders and rededication to America's heritage of freedom.

#### Class Of 1954 Reunion

The 10 year class reunion for the 1954 graduates of Grayling High School was held Saturday, June 13 at the Chief Snoopenagons Motor Hotel.

The class meets only every five years so hadn't been together since 1939. Although a larger attendance was expected we were very happy with 40 attending.

The evening started with a cocktail hour followed by a delicious roast prime ribs of beef dinner. For our table decorations we chose long stemmed American Beauty roses, our class flowers.

After dinner our Class President, Roger Kessler, welcomed everyone and introduced our Class Sponsor and guests of the evening Mr. and Mrs. Elmer Penton. The rest of the graduates then each introduced their spouse.

Next we conducted a short business meeting to elect a Committee for the next 5 year reunion. Those elected were Mr. Robert McClain, Mrs. Richard Lepsy, Mrs. Robert Luter and Mrs. James Parkinson. Following the dinner we all retired to the Viking Room for an evening of (reminiscing) and dancing.

Those here from out of town were: Mr. and Mrs. Carl Kobernik, Albion; Mr. and Mrs. Clyde Hatch, Leslie; Mr. and Mrs. Richard Dunham, Belleville; Mr. and Mrs. Richard Lepsy, Gaylord; Mr. and Mrs. John Jackson, Davison; Mr. and Mrs. Roger Kessler, Midland; Mr. and Mrs. James Klein, Cadillac; Mrs. Fritz Gohlck, Muskegon; Mr. and Mrs. Paul Hurst, St. Johns; Mr. and Mrs. James Parkinson, Roscommon; Mr. and Mrs. John Schofield, Indian River; Mr. and Mrs. Jack Smith, Cass City; and Mr. and Mrs. Robert Luter, Garden City.
